## VAL DE RESA

### GRAPES:

Tempranillo Tinta/Red Tempranillo

From Ribera Alta de Navarra, this Tempranillo Tinta rooted in noble land of wines is located in the area called **Val de Resa**, village of Cárcar. The bunches, which are selected during the harvest and at the winery, are subjected to a destemming and slightly crushed to pass to the tanks where the fermentation begins with daily pumping over. After the winter rest in the cellar, this wine is clarified and filtered before bottling.

**Val de Resa Tinto** presents a beautiful cherry red color with a middle layer and violet tones. At the nose it is an elegant wine with aromas of Mediterranean red fruits that denote its youth. It presents a powerful entrance expressing all the characteristics of Tempranillo, fruit and minerality, with a long, very pleasant ending that invites to continue drinking.

**Val de Resa Tinto** is an easy to drink wine, fruity, pleasant, without complexes. It is an ideal selection to pair with all kinds of dishes of our Mediterranean diet, rice, pasta, meat, cheese, even as table wine.

**Best Before:** four years after the vintage

**Drinking Temperature:** 17 - 18 °C
